

COMMISSION NOTICE 5/2005

NOTICE REGARDING NEW MINIMUM INSURANCE REQUIREMENTS FOR AIR CARRIERS

As and from 30th April 2005, EC Regulation No 785/2004 which sets minimum insurance requirements for air carriers and aircraft operators came into force in the European Community.

The Commission will be responsible for ensuring that air carriers licensed in Ireland under Council Regulation (EEC) No 2407/92 comply with the requirements of the new Regulation.

The Commission has written to all licensed air carriers informing them about the requirements of the Regulation.

The text of the Regulation can be accessed from the Commission's website by using the following link,
