**RE: Consultation on Work Plan to Establish a Performance Plan Containing Revised Targets for 2020-2024**

Dear Commissioner,

IALPA fully supports the proposed CAR timeline and scope of consultations with stakeholders in preparation for 'RP3'.

The National Supervisory Authority (NSA), CAR and SRD remits must be adequately resourced to fulfil their legal oversight mandate.

We look forward to participating in the "Stakeholder" consultations between now and October 2021.

Yours sincerely,

Captain Evan Cullen  
President
